&
Reference Tables

Regular Price: \$79.95
CSHP Member Price*: \$69.95

The fourth edition of Care Beyond Cure presents up-to-date information about managing pain and other symptoms for the benefit of patients receiving palliative care. This latest version has a new two volume format: the complete guide, for in-depth understanding, and a pocket summary of the reference tables with tabs for quick searches. New ideas have led to the addition of 11 new chapters, covering such topics as bleeding, thromboprophylaxis, discontinuation of drug therapy, and home care.
