

Activity #2: COVID Question Jar

Purpose:	This allows for on-going conversation about COVID-19 in a structured way
Materials:	<ul style="list-style-type: none">• Jar• Decorations (ribbon, wrapping paper, paint, glue)• Writing utensil• small strips of paper
Instructions:	<ol style="list-style-type: none">1. Create a 'COVID Question Jar'.2. Introduce students to the Question Jar and let them know that if they have any questions related to COVID-19 (or anything at all, if you would like) that they can write the questions down and put them in the jar.3. Set a weekly time when you will go through the jar and *do your best* to answer questions. Be sure to let class know that sometimes the answer will be that you don't know.4. Review questions prior to answering to ensure you are able to give class your best answer
Example:
