

Activity #3: Ask the Doctor Session

| | |
|----------------------|---|
| Purpose: | This activity will give students a chance to ask their COVID-related questions to a medical professional |
| Materials: | <ul style="list-style-type: none">• Box• Paper• Writing Utensils• Doctor! |
| Instructions: | <ol style="list-style-type: none">1. Find a doctor who is willing to join your classroom either virtually or in-person for a session of 'Ask the Doctor'.2. Prepare students a few days before hand and encourage them to write their questions down and put them in the box for the Doctor.3. Connect with Doctor one day prior to their visit and review questions with them.4. Include questions yourself that you have been asked (in person or via the question jar) that you could not answer. |
