

Activity #4: Before/After Game

Purpose:	This activity will provide a facilitated conversation about what has changed since COVID-19 began and will support children in naming their experiences
Materials:	<ul style="list-style-type: none">• Bristol Board/Smart Board/Chalk Board• Paper• Writing utensils
Instructions:	<ol style="list-style-type: none">1. Split students into smaller groups (3-4 students).2. Provide each group with writing utensils and paper.3. Have students divide their paper in two (Before and After COVID-19).4. Have them work together to record what their life included before COVID-19 and what it does/does not include now.5. Encourage them to think both of things that are different AND things that are the same (ie. some things will be on both lists).6. Bring class together as a whole and have each group share their lists.7. Record groups lists on a 'master' list.8. Engage students in a conversation about which changes have been hard and which have been easier for them.
